Here is what I was just about to send to you all. I can't find your incoming sent this am. I really hate my computer and these systems.

FYI, unprompted by anyone here, this is what the IO put together. Not sure they will be of use, but perhaps you could just tweak these?

Thanks

Subject: 404 TPs for Anna's meeting with Florida

Patrick – Anna is speaking with a group of Mayors from Florida next week. Can you take a look at these and let me know if there are any errors or updates? Specifically, I'm wanting to provide the most up-to-date information regarding our 404 work with Florida.

Deadline is 3pm today. Thank you!
